Church's Chicken® and Uber Eats Team Up for a Fan Favorite Deal
Guests Ordering Church's Delivery May 22- 26 Receive Six Free Biscuits with \$15 Order

ATLANTA, GA – Since launching delivery nearly one year ago, fans of [Church's Chicken®](#) have been enjoying the brand's famous hand-battered fried chicken, homestyle sides, and *Honey-Butter Biscuits™* anywhere and everywhere they can. The secret to *Church's* success has been its partnerships with third-party delivery services like Uber Eats. To celebrate what the partnership has made possible thus far, the two brands are coming together for five full days to offer *Church's* delivery fans six free *Honey-Butter Biscuits* with any *Church's* delivery purchase of \$15 or more when they add the promotional code FREEBISCUITS at checkout. The promotion starts on Wednesday, May 22nd and ends Sunday, May 26th – while supplies last – at participating restaurants where Uber Eats delivery is available. More details can be found in the Uber Eats app and on [Churchs.com](#).

"Partners like Uber Eats are the main reason we've been able to bring delivery online so quickly in so many places across the country," says [Alan Magee](#), Vice President of Digital Marketing and Technology for *Church's*. "This free biscuits offer is a bonus for everyone who already enjoys *Church's* delivery and a delicious reason for new delivery guests to give Uber Eats and *Church's* a try."

Long considered one of *Church's* most popular menu items, *Honey-Butter Biscuits* are scratch made in restaurants daily and baked in small batches so they're always hot and fluffy out of the oven before being drizzled with honey butter, for a sweet, satisfying taste that's as down-home as it gets.

"There's only one thing that can top our famous hand-battered fried chicken," adds Magee, "and that's getting our fan-favorite *Honey-Butter Biscuits* for free and delivered straight to your door. That's all possible thanks to Uber Eats and our *Church's* restaurants across the country working together to give our guests more of the food they love."
